

Congratulations on your decision to purchase or lease a model year 2023 Corvette Z06. You are part of an exclusive group of customers with the opportunity to acquire one of the most powerful sports cars in the history of Chevrolet! Given the limited quantity of model year 2023 Corvette Z06 vehicles, sales are reserved for true Chevy enthusiasts.

We are proud to have you as a customer and want all our loyal customers to receive the superior Chevrolet experience provided by their preferred dealer, avoiding speculators who may try to resell Corvette Z06 vehicles on the secondary market. We encourage you to cherish this special vehicle and to maintain possession for at least six (6) months from the date on which you take delivery. If you decide to sell, or otherwise transfer ownership of, your 2023 Corvette Z06 within the first six (6) months after delivery:

1. You will be ineligible to place vehicle reservations or place a sold order with a dealer for certain high demand models (as identified by GM), including but not limited to future Chevrolet Corvette models.
2. The Bumper-to-Bumper, Powertrain, Sheet Metal, Tire and Accessory coverages under GM's New Vehicle Limited Warranty will be voided.
3. You will not be eligible to receive the exclusive Z06 award of 500,000 My Chevy Rewards Points (a \$5,000 value).

By signing below, you are acknowledging that you understand these terms. Given the impact on warranty coverage, you are also agreeing that, if you choose to sell this vehicle within six (6) months after you have taken delivery, you will communicate the loss of warranty coverage to the transferee. These changes will not impact product recalls in any way.

We appreciate your enthusiasm for Corvette Z06 and we are happy to have you as part of the Chevrolet family.
